

Help Your Student "Shine"!! Be a Golden Elementary PTA Volunteer.

Volunteering produces academic excellence!
Make a big difference by getting involved in the many enriching
programs at Golden for the 2015-2016 school year.

You can volunteer on campus or at home, for one event a year, a few hours a month, or weekly in the classroom. We have lots of great plans but cannot do it without your help. Your child will remember and benefit greatly from your time and efforts.
Thank you for helping make this school year a success!

*Please note that your teacher may also separately request additional classroom volunteers at Back to School Night.

Please return to your teacher by September 18, 2015.
