

## ***Traffic Reminders***

**As always, courtesy is so important! A few gentle reminders - please follow these guidelines while picking up your child/children at the front of the school.**

- **Pull forward with the line of cars when in valet.**
- **Do not ask your child/children to jump into your car while you are on the streetscape in the valet line. [This is dangerous and stops the steady flow of traffic.]**
- **Remain in your car for valet, use your placard with the child/children's name(s) and keep the placard in the window until the students have been picked up. [Seeing the placard is helpful to the teachers. If you need a new placard, check with the front office staff.]**
- **Do not park on a RED curb and leave your car at any time; you can only wait at the red curb with your vehicle. [If an emergency should occur, cars will need to exit the curb for emergency vehicles.]**
- **Do not flip U-turns in front of Golden. [Cars turning right will not see you and it backs up traffic.]**
- **Use designated crosswalk when crossing the streets and Golden's driveway.**

**We encourage parents who are not neighborhood residents to use the front of the school for drop-off and pick-up. However, if you do choose to use neighborhood gates - please follow these guidelines.**

- **Do not park in front of residence driveways. [Consider how you would want to be treated if it was your house.]**
- **Do not allow your child/children to get into your car while in the middle of the street. [At a minimum please pull up to a curb.]**
- **Parking legally on any streetscape and walking into school is always encouraged!**

**When weather conspires to make drop-off and pick-up a challenge, it is even more important to be patient and courteous.**

***It's for the SAFETY of all our children!***
