Kindness reigns at Golden!

### **TRAFFIC REMINDERS FOR SAFETY**

**As always, courtesy is so important! A few gentle reminders - please follow these guidelines while picking up your child/children at the front of the school.**

- Pull forward with the line of cars when in valet.
- Do not ask your child/children to jump into your car while you are on the streetscape in the valet line. [This is dangerous and stops the steady flow of traffic.]
- Remain in your car for valet, use your placard with the child/children's name(s) and keep the placard in the window until the students have been picked up. [Seeing the placard is helpful to the teachers. If you need a new placard, check with the front office staff.]
- Do not park on a RED curb and leave your car at any time; you can only wait at the red curb with your vehicle. [If an emergency should occur, cars will need to exit the curb for emergency vehicles.]
- Do not flip U-turns in front of Golden. [Cars turning right will not see you and it backs up traffic.]
- Use designated crosswalk when crossing the streets and Golden's driveway.

**We encourage parents who are not neighborhood residents to use the front of the school for drop-off and pick-up. However, if you do choose to use neighborhood gates - please follow these guidelines.**

- Do not park in front of residence driveways. [Consider how you would want to be treated if it was your house.]

- Do not allow your child/children to get into your car while in the middle of the street. [At a minimum please pull up to a curb.]
- Parking legally on any streetscape and walking into school is always encouraged!

**When weather conspires to make drop-off and pick-up a challenge, it is even more important to be patient and courteous.**

***It's for the SAFETY of all our children!***

**Clever Dashboard for Students PDF:** The Clever Dashboard is a one-stop-shop for students accessing academic programs through their student account. Many of the programs Golden students use regularly for assessments or instruction are located on the dashboard. Download this [PDF](#) and check it out!!

**IMPORTANT!**

Golden is a “green” school, which means we look at ways to conserve resources and lessen our impact on the environment, as well as how to become more efficient in delivering information to Golden families. As part of this effort, we do two things: (1) maintain a school website ([www.golden.pylusd.org](http://www.golden.pylusd.org)) and (2) send a weekly Green Sheet via email where you can access up to date information about what is happening at Golden. You can also review, download, and print flyers from the online Thursday Mailbag located on Golden’s website or from the weekly Green Sheet email.

Our “green” program only works if parents take a few minutes each week to review the Green Sheet email and check the website and online Thursday Mailbag for information. You will not be fully informed about what is happening at Golden unless you make this weekly effort. We appreciate you doing your part to help us and the environment!

Thank you for helping us keep Golden “green“!
