PLAY WITH A PURPOSE Boys join Scouting because it is fun. But you'll love it for all the other benefits your son receives. Scouting teaches leadership and character. It builds confidence and social skills. It teaches the value of service and citizenship. And it brings families closer together.

HOW DOES SCOUTING WORK? Each Scout is a member of a Den (a group of 6-10 boys around the same age) who meet on a regular basis. Dens go on fun trips, play games, do service projects, and learn new skills. Parents take leadership roles in the Den and Pack and help Scouts earn patches for learning fun, new things.
