IMPORTANT!

Golden is a "green" school, which means we look at ways to conserve resources and lessen our impact on the environment, as well as how to become more efficient in delivering information to Golden families. As part of this effort, we do two things: (1) maintain a school website (www.golden.pylusd.org) and (2) send a weekly Green Sheet via email where you can access up to date information about what is happening at Golden. You can also review, download, and print flyers from the online Thursday Mailbag located on Golden's website or from the weekly Green Sheet email.

Our "green" program only works if parents take a few minutes each week to review the Green Sheet email and check the website and online Thursday Mailbag for information. You will not be fully informed about what is happening at Golden unless you make this weekly effort. We appreciate you doing your part to help us and the environment!

Thank you for helping us keep Golden "green"!

You will not be provided the information contained in this weekly email in any other format should you choose to unsubscribe.
