

Help Your Student "Shine" Be a Golden Elementary PTA Volunteer

Volunteering produces academic excellence!
Make a big difference by getting involved in the many enriching programs at Golden
for the 2012-2013 school year.

You can volunteer on campus or at home, and for one event a year, a few hours a month, or weekly in the classroom. Your child will remember and benefit greatly from your time and efforts. Thank you for helping make this school year a success!

Please return to the teacher by September 21, 2012.
